International Journal of Food and Fermentation Technology

Vol. 6, No. 2, December 2016

REVIEW PAPER

Osmo-dehydration of Plums and Berries - A Review
Preeti Birwal, Pragati Singham, Saurabh Shankar Patel, Kiran Nagajnanavar, Sujosh Nondi, Sushant S. Bobade, M. Manjunatha

Fermentation and its Application in Vegetable Preservation: A Review
Ratan Das, Himanshu Pandey, Bappi Das and Susmita Sarkar

Pre and Post-harvest Practices, Processing and Value Addition of Custard Apple
B.C. Khodifad, Navneet Kumar, D.K. Vyas, Neeraj Seth and Manjeet Prem

RESEARCH PAPER

Study of Physicochemical and Microbial Quality of Spiced Fish Sauce made from Catla Catla Fish During Storage
A.C. Dagadkhair, K.N. Pakhare, R.R. Anidhale and H.M. Syed

Development of Ready to Eat Mint Coriander Sauce
Poorva Kashyap and Poonam Aggarwal and Hradesh Rajput

Formulation, Quality Evaluation and Shelf-life of Value Added Cereal Bar by incorporation of Defatted Soy Flour
Latika Yadav and Vibha Bhatnagar

Statistical optimization of cyclodextrin glycosyltransferase (CGTase) production from Bacillus macerans in batch cultivation and its purification
Nisha Dalmotra, Abhishek Dutt Tripathi, S. K.Srivastava, S.K.Arya and Bindu Naik

Effect of Storage Temperature and Duration on Quality of Stored Pulp of ‘Ofra’ Strawberry
C. Bishnoi, A.K. Godara and Anuradha
Effect of *Tikhur* (*Curcuma angustifolia roxb.*) Flour on physico-chemical and sensory qualities of *Gulabjamun*  
*B.V. Krishna Veni, Archana Khare, Qureshi Mehar Afroz and Nikam Pranali*

Enhanced Ethanol Production Through Salt Pre-conditioning of *S.cerevisiae* MTCC 11815  
*P.S. Khanna and G.S. Kocher*

Effect of Drying and Grinding Methods on Physical and Hydration Properties of Sweet Orange Peel Powder  
*K.B. Sankalpa, C.T. Ramachandra, B.L. Dinesha, Udaykumar Nidoni and Sharanagouda Hiregoudar*

Effect of Foaming Agents and Storage Period on the Quality of Mango Fruit Powder based Ice Cream  
*K.P. Sivakumar and B. Nallakurumban*

Physico-chemical and Sensory Characteristics of Beet Root Pomace Powder Incorporated Fibre Rich Cookies  
*Prashant Sahni and D.M. Shere*

Development of Jelly from Mulberry (*Morus alba* L.) and its Quality Evaluation during Storage  
*N.S. Thakur, Hamid and V.K. Joshi*

Development and Quality Evaluation of Bitter gourd- Kiwi Blended Squash during Storage  
*Rakesh Sharma, Abhishek Thakur, V.K. Joshi and Vipin Sharma*

Correlations among Instrumental Textural Characteristics, Sensory Score and Solids Content of *Dahi* – An Indian Fermented Milk Product  
*Sayantan Paul, Preeti Paul, K. Jayaraj Rao and C.N. Pagote*

Cassava: Extraction of Starch and Utilization of Flour in Bakery Products  
*Kamaljit Kaur, Preeti Ahluwalia and Hira Singh*

Rapid Conditioning of Cashew Kernels by Infrared Heating  
*Soumitra Banerjee and S.L. Shrivastava*

Quality Analysis of *Acacia nilotica* (Babul) Gum Exudates  
*B.L. Jani, B.M. Devani, D.M. Vyas and S.H. Akbari*
Effect of supercritical carbon dioxide conditions on extraction of food phytochemical constituents from *Moringa oleifera* Lam seed kernels 373

*B.L. Dinesha, Udaykumar Nidoni, C.T. Ramachandra, Nagaraj Naik and K.B. Sankalpa*

Effects of different process variables on chemical attributes of yoghurt and its feeding impact of albino rats 381

*Prabhat Ranjan Patel, Jai Singh and Meenu Verma*

Physico-chemical and Sensory Evaluation of Sorghum-Finger Millet Papad 387

*Butti Prabhakar, D.R. More, S. Shivashankar, S. Mallesh and G. Nagendra Babu*

Development of Yoghurt with Bioactive Molecules 397

*J. Deepa, P. Preetha and P. Rajkumar*

Effect of pH on Sensory, Textural, Microbial Quality and Shelf-life of Paneer 405

*Diwakar Mishra, K. Jayaraj Rao, Rashmi Bhardwaj, Harin Sutariya, Roshan S. Katikar and Wangdare Sachin Subhash*

Molecular Characterization of Bacteriocin Producing Lactic Acid Bacteria From Fermented food “Idli” 415

*Amit Chavan, Deepak Rameshwar, Akshay Dange, Jitendra Wayde and Monika Bansal*

Effect of Drying Methods and Pre-treatments on Phytonutrients of Tomato Slices 421

*Poonam Aggarwal, Payal Goyal and Swati Kapoor*

Effect of Alkaline Treatment and Storage Qualities of Maize Flour 433

*B. Subbblakshmi, S. Amutha, G. Garumeenashi and P. Preetha*

Shelf-Life Enhancement of Fresh Fenugreek (*Trigonella Foenum-graceum*) under Refrigerated Condition 443

*Rohit Narang, Rohit Sharma and M.S. Alam*

Quality Evaluation of Noodles Supplemented with Germinated Mungbean Flour 451

*NeeLu Slatthia, Julie Dogra Bandral and Monika Sood*

Preparation and Evaluation of Ready-to-Serve drink made from blend of *Aloe vera*, sweet lime, amla and ginger 457

*Danme C M Sangma, Shatabhisha Sarkar and Lokesh K Mishra*
RESEARCH NOTE

Process Optimization of Low Alcoholic Beverage from Guava Using Different Yeast and Temperature Combination of Fermentation

Amol S. Dhakane, Vaibhav S. Patil and Dipak T. Bornare

Evaluation of Wine prepared from Sugarcane and Watermelon Juice

Helen Soibam, Victor Singh Ayam, Ivy Chakraborty
