## International Journal of Food and Fermentation Technology

Vol. 8, No. 2, December 2018

<i>From the Desk of Editor-in-Chief</i>	<i>vii</i>
<i>Conceptual Editorial</i>	<i>ix</i>
<b>REVIEW PAPER</b>	
Health Promoting Phytochemicals in Vegetables: A Mini Review <i>Abhishek Thakur and Rakesh Sharma</i>	107
Indigenous Fermented Food Products of Eastern and Western Himalayan Region: A review <i>Ringshangphi Khapudang, Somesh Sharma and V.K. Joshi</i>	119
Vacuum Impregnation: Applications in Food Industry <i>Ashitha, G.N. and Prince, M.V.</i>	141
Coating of Fruits and Vegetables based on Natural Sources: An Alternative to Synthetic Coating <i>J.J. Jankar, V.N. Pawar and A.K. Sharma</i>	153
<b>RESEARCH PAPER</b>	
Comparison of Conventional, Microwave and Infrared Roasting Methods on the Changes in Physico-chemical and Antioxidant Properties of Peanuts ( <i>Arachis hypogaea</i> ) <i>Atul Kumar, Padmashree, A., Govindraj, T., Semwal, A.D. and Sharma, G.K.</i>	161
Preparation and Evaluation of Spray Dried Honey Powder <i>Lakshmi, H.R., Udaykumar Nidoni, Ambrish Ganachari, Ramachandra, C.T. and Prabhuraj, A.</i>	171
Assessment of Fermentation Based Enrichment of Bioactive Compounds and Antioxidant Activity of Commonly Used Cereals <i>Pooja Saharan, Pardeep Kumar Sadh and Joginder Singh Duhan</i>	175

Reduction of Phenolics, Tannins and Cyanogenic Glycosides Contents in Fermented Beverage of Linseed ( <i>Linum usitatissimum</i> )	185
<i>N. Nivetha, V.C. Suvarna and R.U. Abhishek</i>	
Development and Evaluation of Sugar Free Biscuit Prepared by Fenugreek Seed Powder and Natural Sweetener Stevia and Process Optimization by Response Surface Methodology	191
<i>Sury Pratap Singh and Neetu Yadav</i>	
Evaluation of Hybrid Maize (QPM) for Preparation of Nutritious Recipes of Various Foods Products Nutritional Security	201
<i>Subbulakshmi, B. and Amutha, S.</i>	
Optimization and Preparation of Debittered Kinnow Beverage	207
<i>Sarabjit Kaur, Param Pal Sahota and Chetna Sharma</i>	
<b>RESEARCH NOTE</b>	
Physio-chemical and Sensory Properties of Biscuits Fortified with Carrot Powder	217
<i>Pinchu Elizabeth Thomas, Litty Mary Abraham and Biju Dharmapalan</i>	
Energy Bars made with Popped with Amranth	223
<i>B. Bhavani, Desham Kodandaram Reddy and Kavita Waghray</i>	
<i>Book Review</i>
