

## CONTENTS

### International Journal of Food and Fermentation Technology

Vol. 15, No. 02, December 2025

#### RESEARCH PAPERS

- Evaluation of Microbiological Quality and Safety Practices of Street Food Vending in Urban Areas 265  
*Ruiling Ma and Li Feng*
- Quality Attributes of Avocado, Pumpkin Seeds and Lemon Fortified Lactose-Hydrolyzed Curd and Yogurt 275  
*Anjana, M., Pushpa, B.P., Shashi Kumar, C.S. and Anjum*
- Effect of Packaging Material and Storage Duration on the Quality of Tuber Crop based Extruded Products 285  
*Surekha Ashok Navale and Shrikant Baslingappa Swami*
- Effect of Packaging Materials and Storage duration on Osmo-convective Hot Air and Osmo-microwave Vacuum Dried Pineapple (*Ananas comosus*) Cubes 303  
*Yogesh Vasant Rao Patil and Shrikant Baslingappa Swami*
- Effect of Incorporation of Pomegranate Peel Powder: Rice Bran and Baking Temperature on the Quality Characteristic of Slice Bread 321  
*Aasma Jahangir Mulani and Shrikant Baslingappa Swami*
- Effect of Packaging Material and Storage Duration on Quality of Pomegranate Peel Powder: Rice Bran Slice Bread 345  
*Aasma Jahangir Mulani and Shrikant Baslingappa Swami*
- Effect of Pre-treatments and Convective Hot Air Drying of Grapes on its Quality 363  
*Kunal Umakant Yadav and Shrikant Baslingappa Swami*
- Development of Cupcake from Jackfruit Seed and Finger Millet Flour 379  
*Sayali Sunil Kamble and Shrikant Baslingappa Swami*

Effect of Packaging Material and Storage Duration on Quality of Jackfruit Seed and Finger Millet Flour Cupcake	407
<i>Sayali Sunil Kamble and Shrikant Baslingappa Swami</i>	
Evaluation of Rheological Characteristics of Various Blends of Soup Mixes by using Arrowroot Starch as Thickener	423
<i>Yogesh Appaso Sargar and Shrikant Baslingappa Swami</i>	
Evaluation of the Rheological Characteristics of Various Blends of Soup Mixes by Using Jackfruit Seed Starch as Thickener	433
<i>Yogesh Appaso Sargar and Shrikant Baslingappa Swami</i>	
Development of Bagels from Osmo-Convective Dried Cashew Apple Flour and its Quality Characteristics	443
<i>Sukanya Shivaji Yadav, Shrikant Baslingappa Swami and S.P. Salvi</i>	
Effect of Different Packaging Material and Storage Duration on Osmo-Convective Dried Cashew Apple Flour Bagels	461
<i>Sukanya Shivaji Yadav, Shrikant Baslingappa Swami and S.P. Salvi</i>	
Evaluation of Drying Kinetics of Mango Pulp using Vacuum and Tray Drying Approaches	481
<i>S.B. Kalse, S.K. Jain and Shrikant Baslingappa Swami</i>	
<b>REVIEW PAPERS</b>	
Soybean Production and Utilization in India: A Path Towards Functional Nutrition	491
<i>Neelaveni K. and Angeline Esther Preethi, S.</i>	
Arrowroot and Its Starch: Nutritional, Functional, and Technological Perspectives-A review	501
<i>Akshada Shivaji Vekhande and Shrikant Baslingappa Swami</i>	
Comprehensive Review on Various Soup Premixes and its Functional Properties Related to Human Health	519
<i>Ruchika Sandesh Shinde and Shrikant Baslingappa Swami</i>	
Baking a Complex Thermal Process and its Application in Food Processing—A review	535
<i>Sadichchha Ulhas Vadaraikar and Shrikant Baslingappa Swami</i>	

Tender Jackfruit its Stages of Maturity, Functional Properties of its Flour and Value-added Products—A review	551
<i>Tejaswini Chandrakant Khole and Shrikant Baslingappa Swami</i>	
Three D Food Printing and its Applications—A Review	565
<i>Seema Shrikant Swami and Shrikant Baslingappa Swami</i>
