Preface

Kamla: The Desert Warrior is a tribute to the strength of a girl who chose hope over hopelessness and determination over defeat. Her journey through the scorching deserts of Rajasthan is not merely a tale of survival, but it is a testament to the extraordinary power of the human spirit.

Through Kamla's struggles and triumphs, this book sheds light on the silent battles fought by countless women and children whose voices often remain unheard. It is a story of courage that blooms in the harshest conditions, much like a desert flower that thrives against all odds. Her story reminds us that true warriors are not always those who wield weapons; sometimes they are those who endure life's greatest storms and still find the courage to move forward.

In case one decides to sum up the struggle of a lifelong ordeal in one word, the only word that fits the frame shall be "Kamla". Her life was caught in an endless cycle of life's Hurricanes and Storms. The exhaustion and lack of respite in kamla's life was so severe and demanding that you will consider yourself "Lucky and Blessed".

This book is dedicated to every soul who has suffered in silence, yet never stopped believing in a better tomorrow

Kamla's story is one of pain, perseverance and ultimately, Hope A True "Desert Warrior".

Author

I have been in the Industry of Story-Telling for the last twenty years, but reading Kamla's life, I was over powered by emotions to the extent that I lost my sleep reading what Kamla had to endure in one life!!

I assure every reader that you will forget about your routine challenges thrown at you in the name of life, in case you read the Journey of Kamla: The Desert Warrior.
